

[carbon fiber mountain bike helmet, carbon fiber helmets for sale AU-BG01](#)

[The description of carbon fiber mountain bike helmet:](#)

In-mould Carbon Construction: The In-mould construction is a technique that directly fuses the shock absorbing EPS liner with the Polycarbonate shells and carbon piece to create a light weight and strong structure. The carbon fiber reinforcement adds additional strength in critical areas due to its great strength and impact distribution properties.

- Well-ventilated, with very cooling air tunnel and reasonable aero shape design.
- Three-dimensional duct design: This design is very aerodynamic drag coefficient is small , in the process of riding , people wear more cool.
- In-mold technology, when the helmet by the impact , the entire helmet uniform force.
- The high quality eco-friendly anti-impact PC shell.
- The high density black EPS material is imported from American,
- The bicycle accessories: adjustable chin strap with quick-release buckle; rear lock adjustment; cool insect-proof not comfortable pads;
- Certification: CE-EN1078 certified for impact protection.

[The specification of carbon fiber mountain bike helmet:](#)

Model No.	AU-BG01 carbon fiber mountain bike helmet
Material	EPS foam & PC + carbon fiber shell double in-mold technology
Certification	CE EN1078
Vents	26 air vents
Color	Pantone, customized
size/head circumference	M/L (58-62CM)
Weight	260g
Sample Time	3 days
MOQ	200pcs
Package details	PP bag+individual color box packing+master carton

Certification:

Below is our certificate :we have ISO9001 ,letters patent ,CE documents ,and we have our own lab to make sure every our product can meet the testing requirements

CERTIFICATE

WHY US:

There are several advantages:

- Quality: with strict quality management system and first-class products
- OEM&ODM: We can provide OEM and ODM service for customers
- R&D team: With professional and independent technical development team
- Price: We have our own production line, to reduce the price to a minimum
- Patent: We constantly introduce patented technology products
- Service: Perfect after-sales service, so customer satisfaction

QUALITY

With strict quality management system and first-class products

OEM&ODM

We can provide OEM and ODM service for customers

R&D TEAM

With professional and strong technical development team

PRICE

We have our own production line, to reduce the price to a minimum

PATENT

We constantly introduce patented technology products

SERVICE

Perfect after-sales service, so customer satisfaction

The delivery express:

International express, air freight & sea transportation are all can be well arranged here! You can pick every possible transportation that you want & we will do our best to assist you! We have already built a long-term relationship with different shipping companies & shipping agent, all our efforts aim at providing you the best shipping experience! Choose us, it will be easy to keep the helmets safe all the time!

PAYMENT

- We accept T/T ,Western Union or Paypal before production
- If buyers have any problems about payment , please contact us ASAP

SHIPPING

- 3-15 working days since payment receipt (based on actual quantity)
- Tracking No. will be sent to you after delivery . And you will get every important shipping status by email.
