Detail photos of the girls riding helmet:

A long oval shaped head form is designed for a rider's head with a dimension which is considerably fit for Europeans.

Progressive adjusting system allows the hekmet to perfectly and user-friendly fit on the rider's head, guaranteeing the crucial advantage in terms of safety and wearer comfort with 3 function performance.

considerate rear space ensures your braid, rope or bun hairdos look good with a helmet, keep hair from slipping and getting in your face while you're riding and allow your hairstyle fit snugly under helmet. It still looks good when the helmet comes off.

Comfortable and breathable velvet foam padding integrated with air mesh layer, ensures a better moisture wicking and sweat releasing effect. Removable and washable design lead to maximum comfort and hygiene.

Central flat space for logo labeling, it will never peel off even after a long time using. This tailor-made ODM helmet is the best product to promote with own brand.

Novelty designed to provide adequate sun protection for the rider, the wide peak protects the skin against weather damage, while ensuring maximun visibility. Engineering ABS injection peak is assured from any deformation.
