Aurora!
Match Score: 100

SELECT

The specification of carbon fiber helmet manufacturer:

Item name	AU-BM26 carbon fiber helmet , carbon fiber bike helmet manufacturer
Model No.	AU-BM26
External material	PC
Inner material	Hight Density EPS(expanded polystyrene)
Technology	PC+EPS In-mold
Helmet Certification	CE EN 1078
Size/Head circumference	L(58-62CM)
Weight	240g
Color	PANTONE
Sample time	3-7 day
MOQ of OEM	300 PCS
Packing detail	1.PP bag, PE bag, Blister card, color box and custom-design is welcomed. 2. Carton packing outside

The description of china carbon fiber bike helmet supplier:

In-mould Carbon Construction: The In-mould construction is a technique that directly fuses the

shock absorbing EPS liner with the Polycarbonate shells and carbon piece to create a light weight and strong structure. The carbon fiber reinforcement adds additional strength in critical areas due to its great strength and impact distribution properties.

- Well-ventilated, with very cooling air tunnel and reasonable aero shape design.**
- Three-dimensional duct design: This design is very aerodynamic drag coefficient is small , in the process of riding , people wear more cool.**
- In-mold technology, when the helmet by the impact , the entire helmet uniform force.**
- The high quality eco-friendly anti-impact PC shell.**
- The high density black EPS material is imported from American,**
- The bicycle accessories: adjustable chin strap with quick-release buckle; rear lock adjustment; cool insect-proof not comfortable pads;**
- Certification: CE-EN1078 certified for impact protection.**

The Customized accessories of china carbon fiber helmet manufacturer:

There are four different helmet strap buckle for your freely choice:

- Standard ITW brand Nylon helmet buckle
- Traditional helmet buckle
- Patent self-developed magnetic buckle (the comprehensive safety, functionality and great ease of use of helmets with the "one-hand fastener",with strong magnets make them easy to close and open, very convenient and safe).
- Fidlock brand magnetic buckle.

Customized varieties colors of helmet accessories for your freely choice:

- Available helmet lockable strap divider in varieties color.
- Available helmet strap buckle in varieties colors.
- Available helmet strap holder in varieties colors.

Customize what you want, personalize your riding style

There different kinds of inner padding fabric options.

EVA pads: It is closed cell and impervious to water, has resilient feel.

Mesh pads: it can prevent dust and small insect fly into the helmet during wild riding.

Nylon pads: antibacterial and skin-friendly, easy to clean.

Velvet pads: very soft and comfortable feeling.

Cool max pads: very high-end, can keep the hair dry and cool during riding.

Low quality pads: easy broken after friction with hair, uncomfortable and hot.

Inner Padding Fabric Options

EVA pads

Mesh pads

Nylon pads

Velvet pads

Cool max pads

Low quality pads

There are different kinds of inner pads for your choice.

first is 3D open mesh padding, it have to be opened a hot-press mold; second is cool max padding, we need to buy pad from cool max company with MOQ 1000 yards, third is ANTI-INSECT net, which could prevent small bug from going into your helmet at dusk, forth one is featherweight gel inserts, cheap and low quality pads

Inner Padding Options

WHY US:

There are several advantages of china carbon fiber helmet supplier:

- Quality:** with strict quality management system and first-class products
- OEM&ODM:** We can provide OEM and ODM service for customers
- R&D team:** With professional and independent technical development team
- Price:** We have our own production line, to reduce the price to a minimum

- **Patent:** We constantly introduce patented technology products

- **Service:** Perfect after-sales service, so customer satisfaction

WHY US

QUALITY

With strict quality management system and first-class products

OEM&ODM

We can provide OEM and ODM service for customers

R&D TEAM

With professional and strong technical development team

PRICE

We have our own production line, to reduce the price to a minimum

PATENT

We constantly introduce patented technology products

SERVICE

Perfect after-sales service, so customer satisfaction

We make the reference according to ISO/DIS 6220 standard, plus the user's experiences we accumulated from the market for over 22 years from different brands which we have been worked with, like LIMAR etc... In other words, if 95% persons can fit our headform.

Helmet Shape 101

European Headform

An Oval shaped helmet is designed for a rider's head with a dimension which is considerably fit for Europeans.

Generic headform

A generic headform helmet is designed for a rider's head with a dimension which is slightly longer front-to-back than its side-to-side measurement.

Asian headform

A Round shaped helmet is designed for a rider's head with a dimension which is considerably fit for Asians.

We have our own house testing lab
