# Hear Commands Clearly

## SPORTS COMMUNICATION BY AURORA

Good communication keeps you and your partner safe. However strong winds, rain, echoes and open spaces can make commands difficult to hear.

AURORA sports communication systems with its noise filtering Voice Activated Mic, and customised helmet mounting gives rock climbing enthusiasts a simple, Wireless solution for clearer communication.

2 simple steps - Pair and Activate, and you are set to go! When you are not communicating, the Mic automatically deactivates to minimise the transmission of any background noise.
