Our In-house Testing Lab

Our in-house testing lab is equipped with a wide range of equipment to ensure the highest quality of our products. We have a large yellow crane for heavy lifting, a workbench for assembly and repair, and a variety of testing rigs for impact, vibration, and other tests. We also have a dedicated area for the testing of helmets, which is equipped with a specialized rig and a white helmet for testing. Our testing lab is a testament to our commitment to quality and safety.

PAYMENT

- We accept T/T ,Western Union or Paypal before production
- If buyers have any problems about payment , please contact us ASAP

SHIPPING

- 3-15 working days since payment receipt (based on actual quantity)
- Tracking No. will be sent to you after delivery . And you will get every important shipping status by email.
