# Our In-house Testing Lab

Our in-house testing lab is equipped with state-of-the-art equipment to ensure the highest quality and safety standards for our products. We offer comprehensive testing services, including impact, vibration, and durability testing, to help you identify and resolve any potential issues before your product reaches the market. Our experienced technicians and advanced machinery provide reliable and accurate results, ensuring your products are built to last. Contact us today for more information and assistance. Make your products stand out with our expert testing services!

PAYMENT

- We accept T/T ,Western Union or Paypal before production
- If buyers have any problems about payment , please contact us ASAP

SHIPPING

- 3-15 working days since payment receipt (based on actual quantity)
- Tracking No. will be sent to you after delivery . And you will get every important shipping status by email.
