Hiking

## : 1. Introduction

### : Introduction

This document provides information about the safety helmet and its application. It is intended for use as a reference for workers in various industries. The helmet is designed to protect the head from falling objects and other hazards. It is important to wear the helmet correctly and to inspect it regularly for damage.

### : Introduction

The safety helmet is a critical piece of personal protective equipment (PPE) for many workers. It is designed to protect the head from falling objects, electrical shocks, and other hazards. The helmet is made of a strong, durable material and has a chin strap to keep it in place. It is important to wear the helmet correctly and to inspect it regularly for damage.
