## Helmet Shape 101

Introduction

Understanding helmet shapes and their fit for different headforms.

Key Concepts

Headform shapes: European, Generic, and Asian.

Fit and Comfort

How helmet shape affects fit and comfort for different riders.

# Helmet Shape 101

Headform	Description
European Headform	An Oval shaped helmet is designed for a rider's head with a dimension which is considerably fit for Europeans.
Generic headform	A generic headform helmet is designed for a rider's head with a dimension which is slightly longer front-to-back than its side-to-side measurement.
Asian headform	A Round shaped helmet is designed for a rider's head with a dimension which is considerably fit for Asians.

## Conclusion

Choosing the right helmet shape is crucial for safety and comfort. Understanding your headform and the helmet's design can help you make the best choice for your riding style.
