## Packaging

Items per Carton: 12 Pieces/Carton

Package Measurements: 73X58X35 cm

Gross Weight: 6.50 kg

Package Type: 1PCS/PP bag wth color box, 12 PCS PER BROWN CARTON

Our testing facilities are equipped with state-of-the-art equipment to ensure the highest quality and safety standards. We provide comprehensive testing services for various bicycle components, including frames, wheels, and drivetrains. Our experienced technicians and advanced machinery ensure accurate and reliable results for all our clients.

We are ISO 9001 certified and adhere to international standards such as EN1078, EN397, EN12492, and CPSC. Our testing lab is fully equipped to handle a wide range of bicycle parts, ensuring compliance with all relevant regulations and standards.

We are ISO 9001 certified and CE marked, ensuring the highest quality and safety standards for all our products and services.

### QUALITY

With strict quality management system and first-class products

### OEM&ODM

We can provide OEM and ODM service for customers

### R&D TEAM

With professional and strong technical development team

### PRICE

We have our own production line, to reduce the price to a minimum

### PATENT

We constantly introduce patented technology products

### SERVICE

Perfect after-sales service, so customer satisfaction
