24 years of helmet R&D and OEM experience

Aurora Sports is a helmet manufacturer, with more than 24 years experience in producing all types of helmets. In-house design and R&D teams with established experience, allows Aurora Sports to quickly answer to demanding requirements and create from scratch whole programs and collections with rigorous quality standards.

We position ourselves as a China-based global helmet solution provider who helps clients develop and design DIFFERENTIATED products, with the aim of helping them win more market share.

We have our own R&D team armed with an international vision and sophisticated R&D capabilities. With a total of five national patents under its belt, the team excels in assimilating global advanced technologies and techniques into its own R&D expertise.

Briefly, we enjoy three major R&D advantages:

- 1) if you can furnish a sketch 2D illustration, we have the capability and expertise to turn it into a concrete product;
- 2) if you can provide us with a picture of the model you like, we are also well capable of converting that into a concrete product;
- 3) if you have your own designers who produce 3D drawings, that's be even better and easier for us to finish the end product.
