## UNRIVALLED ADJUSTMENT FOR OPTIMUM COMFORT

Progressive adjusting system allows the helmet to perfectly and user-friendly fit on the rider's head, guaranteeing the crucial advantage in terms of safety and wearer comfort with 3 functional performance.

- The helmet is designed with a progressive adjusting system that allows for a perfect fit on the rider's head, ensuring maximum safety and comfort. The system features three functional performance points for optimal adjustment.

## FRIENDLY DESIGN FOR WOMEN PONYTAIL

Considerate rear space ensures your braid, rope or bun hairdos look good with a helmet, keep hair from slipping and getting in your face while you're riding and allow your hairstyle fit snugly under helmet. It still looks good when the helmet comes off.

- The helmet's design is specifically tailored for women with ponytails, ensuring that the hair remains secure and comfortable during riding. The rear space is engineered to accommodate various hairstyles, including braids, ropes, and buns, without slipping or getting in the face.

Comfortable and breathable velvet foam padding integrated with air mesh layer, ensures a better moisture wicking and sweat releasing effect. Removable and washable design lead to maximum comfort and hygiene.

ODM

## LUXURY BRANDING POSITION

Central flat space for logo labeling, it will never peel off even after a long time using. This tailor-made ODM helmet is the best product to promote with own brand.
