□ □ □ □ □ □ □ □ □ □ :

A photograph of a tree care professional. The worker is wearing a white hard hat with a headlamp, safety glasses, a dark t-shirt, and a safety harness. He is standing next to a large, cut tree trunk, which has an orange rope or cable wrapped around it. The worker is holding a tool, possibly a chainsaw or a rope, and is looking towards the camera with a slight smile. The background is a lush green forest. A green rectangular box with the text "Tree Care" is overlaid on the bottom right of the image.

Rock Climbing

Work-at-height

A group of four people, likely a rescue team, are in a small inflatable boat on rough water. They are wearing safety gear: helmets (blue, white, black, and orange) and life jackets (orange and blue). The boat is black with orange accents. A green banner at the bottom right contains the text "Sea Rescue".

Helmet Shape 101

European Headform

An Oval shaped helmet is designed for a rider's head with a dimension which is considerably fit for Europeans.

Generic headform

A generic headform helmet is designed for a rider's head with a dimension which is slightly longer front-to-back than its side-to-side measurement.

Asian headform

A Round shaped helmet is designed for a rider's head with a dimension which is considerably fit for Asians.
