Manufacturing Processes

- Casting
- Machining
- Forming
- Joining
- Powder Metallurgy
- Additive Manufacturing
- Finishing

MANUFACTURING

- Design for Manufacturing (DFM)
- Process Selection
- Tolerancing
- Cost Estimation
- CNC Machining
- Quality Control
- Inventory Management
- Supply Chain

Product Design

Product design is the process of creating a new product or improving an existing one. It involves conceptualization, design, and development. OEM (Original Equipment Manufacturer) products are those that are designed and manufactured by the same company that will use them.

- Conceptual Design
- R&D (Research & Development)
- Prototyping
- Testing
- Production
- OEM (Original Equipment Manufacturer)

Material Selection

- Mechanical Properties
- Chemical Properties
- Physical Properties
- Cost
- Availability
- Sustainability

Quality Control

- Inspection
- Testing
- Process Control
- Statistical Process Control (SPC)
- 3D Printing & 038; Quality

Supply Chain

Supply chain management (SCM) is the process of managing the flow of goods and services, from the raw materials and services providers, through the manufacturing and distribution processes, to the end customer. It involves coordinating and integrating all activities involved in moving materials from the supplier to the customer.

QUALITY

With strict quality management system and first-class products

OEM&ODM

We can provide OEM and ODM service for customers

R&D TEAM

With professional and strong technical development team

PRICE

We have our own production line, to reduce the price to a minimum

PATENT

We constantly introduce patented technology products

SERVICE

Perfect after-sales service, so customer satisfaction

Our OEM service is professional and we can provide NDA (Non-Disclosure Agreement) for our customers. We have our own production line, which helps us to reduce the price to a minimum. We constantly introduce patented technology products to ensure high-quality and innovation. Our after-sales service is perfect, ensuring customer satisfaction.
