Helmet Shape 101

European Headform

A long Oval shaped helmet is designed for a rider's head with a dimension which is considerably longer front-to-back than its side-to-side measurement.

Intermediate Oval

An intermediate Oval shaped helmet is designed for a rider's head with a dimension which is slightly longer front-to-back than its side-to-side measurement.

Asian head form

A Round Oval shaped helmet is designed for a rider's head with a dimension which has an equally long front-to-back measurement as side-to-side measurement.

International BMX Federation (IBMXF) is the governing body for BMX racing and freestyle BMX. It is a member of the International Olympic Committee (IOC) and the International Federation of Association Football (FIFA). The organization is responsible for promoting and developing the sport of BMX worldwide. It organizes international competitions, sets rules and regulations, and provides support to national federations. The IBMXF is committed to ensuring the safety and integrity of the sport, and to promoting the participation of athletes from all backgrounds and countries.

DESIGN & CREATIVITY

Our in-house design facility coupled with our creative Account team enables us to create innovative helmets ideally suited to our clients target market - the company combines creativity and sourcing in a unique partnership to bring the best to any sports campaign.
