Helmet Shape 101

European Headform

An Oval shaped helmet is designed for a rider's head with a dimension which is considerably fit for Europeans.

Generic headform

A generic headform helmet is designed for a rider's head with a dimension which is slightly longer front-to-back than its side-to-side measurement.

Asian headform

A Round shaped helmet is designed for a rider's head with a dimension which is considerably fit for Asians.

How to choose your helmet:

When choosing your helmet, it is important to consider the shape of your head. If you have a head shape that is more oval, an oval helmet is the best choice. If you have a head shape that is more spherical, a generic helmet is the best choice. If you have a head shape that is more round, a round helmet is the best choice. **amenable**
