Our helmet is made from a lightweight, durable material and features 24 ventilation ports for maximum airflow. The R & D team has spent months testing and refining the design to ensure it provides the best protection and comfort for cyclists. The helmet is available in a variety of sizes and colors, and is designed to fit snugly on your head. The chin strap is made from a strong, woven fabric and is easy to adjust. The red buckle is a classic design that is both functional and stylish. The helmet is a great choice for anyone who wants to stay cool and safe on the road.
