Helmet Shape 101

European Headform

An Oval shaped helmet is designed for a rider's head with a dimension which is considerably fit for Europeans.

Generic headform

A generic headform helmet is designed for a rider's head with a dimension which is slightly longer front-to-back than its side-to-side measurement.

Asian headform

A Round shaped helmet is designed for a rider's head with a dimension which is condierably fit for Asians.

Helmet Shape 101:

This document (PDF, DOC, PPT, etc...) is a free resource for anyone who wants to learn more about helmet shapes and how they fit different head shapes. It is not a commercial product and should not be used for any other purpose.
