How to choose a helmet shape:

Step 1:

Measure your head circumference with a tape measure.

Step 2:

Compare your headform to the helmet's headform.

Step 3:

Choose a helmet that fits your head comfortably.

Helmet Shape 101

European Headform

An Oval shaped helmet is designed for a rider's head with a dimension which is considerably fit for Europeans.

Generic headform

A generic headform helmet is designed for a rider's head with a dimension which is slightly longer front-to-back than its side-to-side measurement.

Asian headform

A Round shaped helmet is designed for a rider's head with a dimension which is considerably fit for Asians.

How to choose a helmet:

When choosing a helmet, make sure it fits your head, is comfortable, and is safe! Always wear your seat belt & helmet! Remember, your head is your most important asset, so protect it with a helmet that fits you perfectly!

CUSTOMIZE FOR BRAND

Logo style: Dome, Metal, UV-Dart sticker, Water decal.

QUALITY

With strict quality management system and first-class products

OEM&ODM

We can provide OEM and ODM service for customers

R&D TEAM

With professional and strong technical development team

PRICE

We have our own production line, to reduce the price to a minimum

PATENT

We constantly introduce patented technology products

SERVICE

Perfect after-sales service, so customer satisfaction
