Our In-house Testing Lab:

Our in-house testing lab is equipped with the latest equipment to ensure the highest quality of our helmets. We test our helmets according to the following standards: EN1078, EN397, EN12492, CPSC, and others. We also test our helmets for impact resistance, penetration resistance, and other safety features. Our lab is ISO 9001 certified and we have a dedicated team of experts to ensure the highest quality of our products.

Our In-house Testing Lab

Our:

Our products are certified to ISO9001, CE, and other international standards.
