Helmet Shape 101

European Headform

An Oval shaped helmet is designed for a rider's head with a dimension which is considerably fit for Europeans.

Generic headform

A generic headform helmet is designed for a rider's head with a dimension which is slightly longer front-to-back than its side-to-side measurement.

Asian headform

A Round shaped helmet is designed for a rider's head with a dimension which is considerably fit for Asians.

These diagrams illustrate the different helmet shapes designed for different headforms. The European headform is oval-shaped, the generic headform is slightly longer front-to-back, and the Asian headform is round-shaped. These diagrams are intended to help riders choose the right helmet shape for their head. The diagrams are not intended to be used as a guide for helmet selection.
