LUXURY BRANDING POSITION

Central flat space for logo labeling, it will never peel off even after a long time using. This tailor-made ODM helmet is the best product to promote with own brand.

UTILITY SUN PROTECTION

Novelty designed to provide adequate sun protection for the rider, the wide peak protects the skin against weather damage, while ensuring maximum visibility. Engineering ABS injection peak is assured from any deformation.

INDIVIDUAL FIT HEAD FORM

A long oval shaped head form is designed for a rider's head with a dimension which is considerably fit for Europeans.

FRIENDLY DESIGN FOR WOMEN PONYTAIL

Considerate rear space ensures your braid, rope or bun hairdos look good with a helmet, keep hair from slipping and getting in your face while you're riding and allow your hairstyle fit snugly under helmet. It still looks good when the helmet comes off.

UNRIVALLED ADJUSTMENT FOR OPTIMUM COMFORT

Progressive adjusting system allows the helmet to perfectly and user-friendly fit on the rider's head, guaranteeing the crucial advantage in terms of safety and wearer comfort with 3 functional performance.

ONE PIECE ANTIBACTERIAL INNER PADDING

Comfortable and breathable velvet foam padding integrated with air mesh layer, ensures a better moisture wicking and sweat releasing effect. Removable and washable design lead to maximum comfort and hygiene.

ADVANCED MASS VENTILATION SYSTEM

Aerodynamic ventilation channels provide high standards of cooling airflow, taking away the hot air of the inner fabrics to improve the rider's physiological comfort.

Why did you choose us?

There are many advantages:

Quality: with a strict quality control and excellent products

OEM and ODM: we can provide OEM and ODM service for customers

R & D team: with a team of professional and strong technical development

Price: we have our own production line, reduce the price to a minimum

Patent: we are constantly introducing products of patented technology

Service: perfect after-sales service, so the satisfaction

QUALITY

With strict quality management system and first-class products

OEM&ODM

We can provide OEM and ODM service for customers

R&D TEAM

With professional and strong technical development team

PRICE

We have our own production line, to reduce the price to a minimum

PATENT

We constantly introduce patented technology products

SERVICE

Perfect after-sales service, so customer satisfaction

We have over 24 years of experience processing project that we could just your ideas with true information, what you need, let us know what you want and we'll start our hands mold for reference, once we got the final confirmation of the design, we can make a 3D scanning and then processing the formation.

Turn your idea into a custom concrete product!
