

High-level road cycling helmet racing bicycle helmet for sale

The Advantages of road cycling helmet:

- Adjustable system that combines the Power FIT 1 with the opportunity to select three different occipital height positions. Fitting, lightness and breathability are secured by the super light co-injected frame.
- The lateral divider ensures rapid adjustment of the helmet; fastening system by only moving it up and down and then closing the buckle.
- Reflective stickers applied to the most visible surfaces of the helmet in order to guarantee maximum

visibility and safety even in poor light.

- High-end co-molding technology that gives helmets superior light weight and strength. The exclusive manufacturing process enables the thermoformed polycarbonate shell to be comolded to the EPS line.
- The helmet is combined by 10 separate co-molded polycarbonate parts guarantees enhanced mechanical strength in the event of impact. It makes the helmet less susceptible to the abrasions caused by wear and tear.
- Amazing Ventilation system: massive vents with interior channeling for best-in-class cooling power.
- Removable and washable anallergic padding made of 3D open mesh rh+ Fire Dry fabric that ensures maximum comfort and wicks away sweat fast.
- Certification : CE EN1078

Description of road cycling helmet:

Outer material : PC

Lining material : High density Black EPS

Size : S/M(54-58cm); M/L(58-62cm)

Weight : 260g ,

Color : Pantone

Accessories: Headring fit system, fast release buckle, PA webbing and detachable pads.

The specification of road cycling helmet:

Model No.	AU-BH14 road cycling helmet
Material	In-mold EPS liner & PC shell
Certification	CE EN1078
Vents	22 air vents
Color	Pantone, customized
size/head circumference	S/M(54-58cm); M/L(58-62cm)
Weight	260g
Sample Time	7 days
MOQ	300pcs
Package details	PP bag+individual color box packing+mastercarton

WHY US:

There are several advantages:

- Quality: with strict quality management system and first-class products
- OEM&ODM: We can provide OEM and ODM service for customers
- R&D team: With professional and independent technical development team
- Price: We have our own production line, to reduce the price to a minimum
- Patent: We constantly introduce patented technology products
- Service: Perfect after-sales service, so customer satisfaction

QUALITY

With strict quality management system and first-class products

OEM&ODM

We can provide OEM and ODM service for customers

R&D TEAM

With professional and strong technical development team

PRICE

We have our own production line, to reduce the price to a minimum

PATENT

We constantly introduce patented technology products

SERVICE

Perfect after-sales service, so customer satisfaction

The delivery express:

International express, air freight & sea transportation are all can be well arranged here! You can pick every possible transportation that you want & we will do our best to assist you! We have already built a long-term relationship with different shipping companies & shipping agent, all our efforts aim at providing you the best shipping experience! Choose us, it will be easy to keep the helmets safe all the time!

PAYMENT

- We accept T/T ,Western Union or Paypal before production
- If buyers have any problems about payment , please contact us ASAP

SHIPPING

- 3-15 working days since payment receipt (based on actual quantity)
- Tracking No. will be sent to you after delivery . And you will get every important shipping status by email.
