Knowledge of the head circumference:**European headform:**

Oval-shaped helmet is designed for riders' head with a dimension which is very fit for Europeans.

General of the headform:

Generic block helmet is designed for riders' head with a dimension which is slightly longer than its front rear measurement on the side.

Asian headform:

And round in the shape of the helmet is designed for riders' head with dimension, that is

condierably suitable for Asians.

Our test lab:

Even if we consider all the necessary elements to increase the body structure in design, but still we use professional equipment to control all aspects of our product! Our advanced internal test laboratory was built according to EN1078, EN397, EN12492, EN1384, VG1 CPSC, test specifications, etc. Before our serial production or send it to a third-party organization test, check the quality by yourself and make sure you are qualified!

Our In-house Testing Lab

Certification:

Below is our certificate: ISO9001, we have Royal patent, CE documents, and we have our own laboratory, that surely each our product can meet the requirements for testing

CERTIFICATE / AUTHENTICATION
