This is an outstanding company, Nicole did a great job with the order and met any request I made [I would highly recommend this company for all your safety helmet needs.]

Show More

We really like the sample. My wife said it feels more comfortable than her Charles Owens helmet. She was thrown off her horse about two weeks ago and landed on her back and hit her head. The helmet held up well and did its job. She had to go to the hospital and get X-rays. Luckily, she didn't break any bones. Our customers seemed to like the look.

★★★★★ High Tech Helm der Spitzenklasse

Super schneller Versand, perfekter Helm, die LED sind der Hammer. Die Fernbedienung am Lenker ist schnell und kinderleicht montiert und funktioniert einwandfrei. Die Blinkerfunktion ist ein tolles Gimmick. Der Helm lässt sich gut einstellen und passt gut. Ich bin sehr zufrieden. Das Aufladen geht mit jedem Handy Ladegerät. Ein tolles Weihnachtsgeschenke mit Sinn und Nutzen...

Super cool helmet, the LED are the hammer. The remote control on the handlebar is fast and child-friendly mounted works flawlessly. The indicator is a gimmicks. The helmet is easy to adjust and fits well. I'm very happy. Charging goes with any mobile phone charging device. A great Christmas gifts with meaning and benefits.

-Our test lab:

Even if we consider all the necessary elements to increase the body structure in design, but still we use

professional equipment to control all aspects of our product! Our advanced internal test laboratory was built according to EN1078, EN397, EN12492, EN1384, VG1 CPSC, test specifications, etc. Before our serial production or send it to a third-party organization test, check the quality by yourself and make sure you are qualified!

Our In-house Testing Lab

-Certification:

Below is our certificate: ISO9001, we have Royal patent, CE documents, and we have our own laboratory, that surely each our product can meet the requirements for testing

-The production process is the helmet as below:

Silk screen → PC Tools blister → Production of PC blister → Trimming dug a hole → Raw materials for the different density of the EPS → EPS in mold tools → the helmet in the form of workshop → in forming machines → in mold tools → the production process in the mold → semi-finished cast helmet → IQC inspection → helmet, grinding → The internal padding of the production → plastic injection workshop → the Assembly line → the Interior markings → packaging → Uk → installed counters.
