## Our Test Lab:

Machines for various tests (resistant, retention system, lateral deformation etc.) in our internal testing laboratory are quite the same with the test organization, we will strictly control the quality headphones before delivery.

## Our In-house Testing Lab

## Certification:

Here's our certificate: we have got ISO9001, letters, documents, and we have our own laboratory to make sure that all our product can meet testing requirements

## 1

Our internal design coupled with our designer installation account team allows we to create the innovative helmet perfectly suited to our customer target market - the company combines creativity and sourcing in a unique partnership to bring the best in any sport campaign.

## CUSTOMIZE FOR BRAND

*Logo style: Dome, Metal, UV-Dart sticker, Water decal..*

## Photos of the plant:

The process of production of helmet is as below:

silk screen → PC blister tooling → Manufacture of blister of PC → Trimming dug the hole → Raw materials of different density EPS → Tools-Mold EPS → in-mold helmet workshop → machines in the mould → -mould tooling → production process in the mold → semi-finished products in-mold helmet → IQC inspection → grinding helmet → Padding inside production → plastic injection workshop → Assembly line → inside labelling → packing → warehouse → the meters installed.

## WHY US:

### There are several advantages:

- Quality: with strict quality management system and first-class products
- OEM&ODM: We can provide OEM and ODM service for customers
- R&D team: With professional and independent technical development team
- Price: We have our own production line, to reduce the price to a minimum
- Patent: We constantly introduce patented technology products
- Service: Perfect after-sales service, so customer satisfaction

### QUALITY

With strict quality management system and first-class products

### OEM&ODM

We can provide OEM and ODM service for customers

### R&D TEAM

With professional and strong technical development team

### PRICE

We have our own production line, to reduce the price to a minimum

### PATENT

We constantly introduce patented technology products

### SERVICE

Perfect after-sales service, so customer satisfaction

## Express delivery:

For example, we can send by as express: DHL, UPS, FEDEX, TNT, EMS China Post etc. you can choose the best way.

## SHIPPING
