## Why choose us?

----because we have so many advantages

Quality: with strict quality management system and first-class products

OEM&ODM: We can provide OEM and ODM service for customers

R&D team: With professional and strong technical development team

Price: We have our own production line, to reduce the price to a minimum

Patent: We constantly introduce patented technology products

Service: Perfect after-sales service, so customer satisfaction

### QUALITY

With strict quality management system and first-class products

### OEM&ODM

We can provide OEM and ODM service for customers

### R&D TEAM

With professional and strong technical development team

### PRICE

We have our own production line, to reduce the price to a minimum

### PATENT

We constantly introduce patented technology products

### SERVICE

Perfect after-sales service, so customer satisfaction

We have over 24 years experience of handling project that we can make true your ideas with just simply information ,what you need is just let us know what you want ,and we'll open hand mold for your reference ,once we got the final confirm of the design we can make 3D scanning then to processing the molding .

### PAYMENT

- We accept T/T , Western Union or Paypal before production
- If buyers have any problems about payment , please contact us ASAP

### SHIPPING

- 3-15 working days since payment receipt (based on actual quantity)
- Tracking No. will be sent to you after delivery . And you will get every important shipping status by email.
